MARYVILLE WILL TRY COM'N PLAN

ELECTION YESTERDAY RESULTED IN ADOPTION OF NEW FORM BY BIG MAJORITY

CHANGE IS EFFECTIVE WITH APRIL ELECTION

A Mayor and Two Commissioners Elected at Large Will Take the Place of the Three City Governing Boards Under the New Form.

Unofficial Election Results.

	For	Against
First Ward	91	37
Second Ward	89	27
Third Ward	116	27
Fourth Ward	119	60
	415	151
Total votes cast	566	
Majority	264	

Maryville voted to adopt the commission form of government at yesterday' selection by a majority of 264 votes. There were 415 votes cast in favor of it with 151 being recorded as against it. The election was an unusually quiet one, and despite the fact that it was the most vital proposition the voters have been asked to vote on in recent years not more than two thirds the normal vote was out.

That a larger vote was not recorded may be partly explained by the fact that public sentiment favored the adoption of a new plan and this being conceded, the stay-at-home vote felt it would carry without much effort. A number who did not vote explained that they were unable to decide whether it would be best to vote for the change, or were not sufficiently informed as to the merits of the proposition, and rather than vote unintelligently, did not vote at all.

With a majority of two to one in favor of the change by Fourth ward voters, the prediction that strong opposition would come from the "old Fourth" having miscarried, Maryville is solidly lined up for what will undoubtedly prove a program of progress and betterment. All the wards gave majorities of from two to one to four to one for the adoption of the commission form.

With the decision to change the present cumbersome aldermanic form of city government for one where power and authority is centralized, where responsibility may be definitely fixed, making it possible to secure definite results for the city, interest centers on the next step to be taken—the selection of men to fill the offices of mayor and commissioners.

The three officials are elected from the city at large without regard to ward lines. The law requires that a primary be held to nominate candidates for mayor and commissioners weeks before the regular city election. The city election this year coming on Tuesday, April 1, the primary will be held on Tuesday, March 18. The judges and clerks for the primary election are the same as those for the regular city election.

Any person desiring to become a candidate for mayor or commissioner must give at least ten days written notice of his candidacy in the form required by the statute, and file the same with the city clerk.

The law also requires that "immediately after filing notice of candidacy has expired the city clerk must publish for three successive days in all the daily papers in the city the names of all persons whose names are to apear as candidates on the primary ballot. The names of the candidates for mayor and commissioners are arranged alphabetically on the ballot. One short ballot is used for all the names and the voter puts a check after the names of the candidates voted for. (Note the fact that the first act under the new form provides for a simplified form of voting.)

The two candidates receiving the highest number of votes for mayor and the four candidates receiving the highest number of votes for commmissioners shall be the candidates at the regular city election to be held two weeks later.

The city council will meet tonight at the city hall to canvass the votes and to make official record of the election. It is expected that with but two months intervening until the primary election to nominate a mayor and commissioners, the council will make announcement of the election date at once.

HEADS EMPLOYMENT BUREAU

Miss Theodosia Raines, Former Normal Teacher, Now in Charge of Women's Division U. S. Employment Bureau of Colo.

Miss Theodosia Raines, a former member of the Normal faculty and a sister of H. L. Raines of this city, is now head of the women's division of the United States employment bureau of Colorado. Miss Raines has been living in Denver for several years, leaving her school work here on account of her health. She took up women's employment independently first and later in connection with the college women of the state who were making every effort to aid the women in taking care of the new vocations thrust upon them by the taking of the men into military service. This work grew to such proportions, that Miss Raines was selected by the government to take the work for the state and she is paid a splendid salary.

The New Year's Edition of the Denver Post carried a lengthy interview with Miss Raines which tells of the plan of readjustment of women workers from a war to a peace basis.

TO FIGHT TAX BOARD

BILLS TO BE PRESENTED WILL ASK ITS ABOLISHMENT

P. S. C. IN FOR TROUBLE

Cities Will Make Attempt to Shear It of Its Powers, If Nothing More Drastic Is Done.

Jefferson City, Mo., Jan. 15.—It is said several bills are being prepared either to cripple or abolish the state tax commission, and all will be based upon the theory that it has accomplished nothing up to date and probably could do no better in the future. The commission started out to accomplish something but it struck a snag when it undertook to have its work adopted by the state board of equalization. Three mebmers of the board, constituting a majority, upset the work of the commission, and fixed the valuation of real estate, personal property and public service corporations at approximately $2,000,000,000.

The state public service commission is another branch of the state government bill in for trouble at the hands of the legislature. Judge Noah Simpson of the commission said the other day that one good result over the fight over prohibition was that while members of the legislature were discussing matters of this kind, the commission would have a rest.

The cities are preparing to make a hard fight on the commission and at least shear it of many of its powers, if nothing more drastic is done.

The fact that cities have no power to regulate the rates of their street car companies, and cannot enter into binding contracts with them, has aroused much opposition to the commission, and this will find vent in the shape of legislation of a hostile character, fi those who are opposed to the commission have their way. It is suspected that if larger cities cannot greatly limit the power of the commission, they will seek exemption from the orders of the commission. It is known that some are in favor of abolishing the commission outright, but it is not believed at this time that the legislature will do so.

A LINE ON BEARCATS' TRIP

Sims' Players Are Following the Tarks at Cameron, Liberty and Kansas City in Games This Week.

With the Norami Bearcats following the Tarkio five in a road trip in which games are scheduled with Missouri Wesleyan College at Cameron, the William Jewells at Liberty and the Polytechnic five at Kansas City, the fans may be able to get a line on what Coach Sims' men are up against.

The Tarks gave the Wesleyans a trimming in their game Monday night, winning by a score of 48-18. The Wesleyans presented little opposition to the visitors and the game was ragged in spots. Patterson and Graham of the Tarks hit the basket as they pleased. Patterson and Boettner were injured and were unable to play the game out, leaving the Tarks badly crippled for their games with the Jewells and Poly. The Bearcats play the Cameronites tonight and from the showing made with Tarkio it looks like Sims' men ought to win. They follow the Tarks at Liberty and at Kansas City, returning home Saturday.

The Tarks however met a different bunch on Tuesday night at Liberty, the William Jewells winning in a fast, clean game, 31 to 20. According to the report Patterson was able to play and was the individual star in point getting, with fourteen points to his credit. D. Keedy Campbell refereed the game.

HINDER GERMAN ELECTIONS

Spartacides Are Planning to Precipitate Further Disturbances in Berlin.—1,000 Are Arrested.

London, Jan. 15.—Bullets were fired into a street crowd in Berlin last night by Spartacides hiding on the roof of nearby buildings, said an Exchange Telegrah dispatch. Fighting has again broken out and a sharp attack was made against Franzier barracks. The attack lasted an hour. Spartacide leaders are palnning to precipitate further disturbances to hinder the coming elections. The government is taking strong measures to put down the disorders.

"AUNT BETSY" NEEDS HELP

Helpless and Unable to Care for Herself, Welfare Board Seeks Some One to Act as Caretaker.

Is there anyone in Maryville who will take care of an aged, sick, alone and helpless woman?

It is not a case of just charity. There is money to pay for her care.

The sick woman is "Aunt Betsey" Robinson. Her days will probably be few and short. She is 77 years old. She has been living alone in her ilttle home in North Maryville. With some repairing the home could be made very comfortable for a care taker who would go there and live and take care of "Aunt Betsey."

The Sisters of St. Francis hospital have taken care of Aunt Betsey during a great part of the illness that has come upon her in late years. It is impossible for them to keep her permanently. The Welfare Board of the city will pay for her care and she has relatives living in Harrison county who will also aid financially to see that she is properly looked after. She is utterly unfit to leave alone and the laws of humanity would not allow it to be that way.

Every one in the city is familiar with the name of Aunt Betsey and folks of two generations know this peculiar character who has made her home in Maryville all her life. Born of good parents, but the tricks and twists of fate have made during these 77 years she has lived a character that is unlike any one in the world except "Aunt Betsey."

The hospital Sisters will keep Aunt Betsey while her home is being cleaned and renovated and will also fix her up in good shape. Anyone who will undertake her care can communicate with F. P. Robinson, head of the City Welfare Board.

WOULD FORCE ISSUE

REPUBLICANS TO DEMAND REDISTRICTING BILL

TO BLOCK LEGISLATION?

Democrats Say They Will Stand Pat on Refusal to Agree and a Deadlock May Be the Result.

Jefferson City, Mo., Jan. 15.—S. F. O'Fallen, Republican, who was elected speaker of the house last week by the "drys" indicates he believes the Republicans in the legislature would be justified in going to any length, short of holding up appropriation bills and interferring with the business of the state, to compel the Democratic senate and Governor Gardner to permit enactment of a redistricting bill. The original plan of the Republicans, as outlined by State Chairman Cole, John Schmell and others at the Republican conference in St. Louis last Monday, was to block legislation until a redistricting bill is enacted.

O'Fallon, former circuit judge of Holt county, said he would stand with the Republicans in a demand for redistricting, and that he would indorse "firm measures" to get it. He did not believe, however, that these measures should go to the extent of blocking the business of the state. He expressed the belief that Republicans, as a matter of justice, would make a stand on redistricting.

Since the conference in St. Louis, there have been signs that the Republican members of the two houses were not keen for the extreme stand urged by Cole and Schmell. The country members especially dislike going back to their constituents without accomplishing anything. This would be the outcome of the deadlock plan if it were carried out and the Democrats stood pat against it. O'Fallon's talk indicated that an effort might be made to block all measures but appropriation bills until the Democrats yield.

Leading Democrats say that under no circumstances will they consent to any redistricting measure now even to correct the old Democratic gerrymander. They say that redistricting would give, in all probability, control of the state to the Republicans, and they have everything to gain and nothing to lose by standing pat.

THOUSANDS CRY FOR FOOD

Petrograd Streets Jammed with People Demanding Bread.—Are Fired on by Troops.

Stockholm, Jan. 15.—Troops are firing on enormous crowds of starving people jamming the streets of Petrograd crying for bread, said advices received here today. Ten thousand people are roaming the streets demanding they be given food. Several hundred have been killed in a massacre at Bardithiv in the government of Kiev. The program followed atatempts by the peasants to disarm the Jewish militia. More rograms of a like nature are expected.

ATTENDS GALLAGHER FUNERAL

John Murrin Called to Chillicothe by Death of Brother-in-Law.

John Murrin left Monday night for Chillicothe, called there by the death of his brother-in-law, James Gallagher whose funeral was held today.

Mr. Gallagher died at Chickasha, Okla., and the body was brought to Chillicothe for burial. His wife was Miss Ella Murrin, a sister of Mr. Murrin, and her death occurred several years ago. Mr. Gallagher is survived by three children, Mrs. Margaret Elliott of Oklahoma City, and James Jr. both of whom are in military service at this time.

SECRETARY BAKER TO QUIT

Reported He Will Soon Leave the Cabinet to Resume His Private Law Practise.

Secretary Newton D. Baker is to be the next member of President Wilson's cabinet to resign and resume his private law practise, according to persons closely associated with him. There have been reports circulated previously that Secretary Baker would retire, but that each time he desired to make the change, according to reports President Wilson prevailed upon him to remain. The report current now is that Secretary Baker will return to Cleveland and form a law firm.

LAMKIN TO GOVERNMENT JOB

Former State Superintendent Named Locational Officer to Look After Wounded Soldiers.

Jefferson City, Mo., Jan. 15.—State Superintendent of Public Schools Uel W. Lamkin, whose term of office expired Tuesday, will not accept the secretaryship of the State Public Service Commission. He has accepted the position of locational officer from the United States government, having in view the rehabilitation of wounded soldiers and sailors and fitting them for various lines of making a livelihood. This division will embrace Missouri, Kansas, Iowa, and Nebraska. Headquarters have been established in the Chemical Building, St. Louis, and Lamkin will take charge tomorrow.

The position of secretary of the commission pays an annual salary of $3,600. It is being filled temporarily by Mrs. Kate Morrow of Warrensburg.

After the superintendent had told newspapermen that he would accept the government offer he was called into conference by the commissioners and induced to accept a long leave of absence as secretary of the commission, with its consent to serve as a government appointee. This arrangement will relieve Governor Gardner and the Democratic members of the commission, at least for a few days, from the importunities of the office-seekers trying to get the secretaryship

PURCHASES DES'MOINES BANK

Jerry S. Sayler, Son of Judge J. H. Sayler, of Maryville, Is Rapidly Forging to the Front.

Jerry S. Sayler, who is cashier of the Euclid Avenue State bank in Des Moines, has purchased control of the Oak Park bank of that city. Mr. Sayler is the son of Judge J. H. Sayler of this city and is rapidly forging to the front. The following about the sale is from the Des Moines Capital:

Charles A. Holmes, for fifteen years president and cashier of the Oak Park bank, has sold the bank to Jerry Sayler, cashier of the Euclid Avenue State bank, and H. H. Gerard, local manager for the International Correspondence Schools:

Mr. Sayler and Mr. Holmes will take over the management of the bank on January 20. Mr. Sayler retains his position in the Euclid Avenue bank and according to present plans Mr. Gerard will assume active management.

The sale included bank, building and all property of the Oak Park bank, which was a private institution with a capital stock of $20,000 and responsibilities in excess of $75,000, according to Mr. Holmes. The amount of the consideration involved in the sale was not made public.

Mr. Holmes came to Des Moines from Missouri fifteen years ago to establish the bank. His plans for the future are indefinte and he intends to retire from active business for at least a year, he said today.

Mr. Sayler has had ten years of banking experience in Des Moines. He started with the Commercial Savings bank, was for four years assistant cashier of the University State bank and for two years has held his present office in the Euclid Avenue bank.

NEED BUT SIX STATES NOW FOR BONE DRY NATION

MISSOURI VOTES THURS.

Liquor Men Will Not Give Up But Will Fight National Amendment on a Technicality.

Denver, Colo., Jan. 15.—The senate today ratified the federal rohibition amendment.

Salt Lake, Jan. 15.—The Utah senate has ratified the federal prohibition amendment.—The house did so yesterday.

Concord, N. H., Jan. 15.—The New Hampshire today ratified the dry amendment 221 to 21. The senate will take action before night.

Des Moines, Jan. 15.—Fifteen minutes after the senate ratified the federal prohibition amendment forty-two to seven, the house passed it eighty-six to thirteen. Iowa is the thirty-first state to ratify the amendment.

Chicago, Jan. 15.—By nightfall thirty-six states will have ratified the federal prohibition amendment making it part of the national basic law. Of this I am certain, declared Virgil Henshaw, chairman of the National Prohibition committee today. Thirty states have now ratified the federal amendment to the constitution, with thirty-six necessary to make the amendment effective.

Missouri Must Hurry.

Jefferson City, Jan. 15.—The Missouri Legislature will have to step lively if this state is to be one of the thirty-six whoese ratification of the federal prohibition amendment is necessary in order to make the United States dry.

"The legislatures of more than twice enough states to give the amendment a constitutional majority are in session now," the Rev. William C. Shupp, state superintendent of the Anti-Saloon League, said today. "Even if the Missouri Legislature ratifies the amendment later than Thursday it may be too late to have won the honor of being one of the thirty-six states to make the nation dry."

Liquor Men to Fight It.

Chicago, Jan. 15.—The distillers' committee recently named to fight national prohibition effected a permanent organization here Tuesday.

Samuel Woolenr, Peoria, Ill., was made chairman; Henry M. Naylon, Rochester, N. Y., vice-chairman; Geo. F. Diesterle, Cincinnati, secretary-treasurer, and Levy Mayer, Chicago, chief of counsel.

Resolutions adopted said fifteen states which have ratified the prohibition amendment, or are about to do so, have laws which require referendum, and provided that legal steps should be taken to compel reference of the amendment in these states to the people.

The committee will meet next at New York, January 28.

Madison, Jan. 15.—The Wisconsin assembly will take the final vote on he prohibition amendment Friday night The senate ratified the amendment nineteen to eleven.

Time was when we had to "work or fight," but that order has been revoked. The old order, however, is still in force—work or starve.

There are other kinds of optimists besides the young man who believes his intended wife will never look as "sloppy" as does her married sister.

No matter how eloquent a speaker a man may be, the man who can always "draw a crowd," is the one who makes a short address consisting of the words, "This treat's on me."

It is not a miracle when a girl who is "dead in love" is brought back to life after a few months of married life.

Didja ever consider the fact that very few women stutter? No, brethren, we are not going to pursue this subject further. It is prayerfully presented for your consideration.

Observation: Going over the top isn't alone done on the field of battle. Didja ever try standing up in a bath tub and reaching over for the bath towel? Hey.

It wouldn't be so blamed bad in the people who boast they only believe half what they hear if they didn't insist on believing the nasty half.

Reflection, after having attended a society function: Ruby Hart in her "Talks To My Sisters" in a recent issue of a magazine, declares there is too much of a tendency on the part of society women to "put all she has on her back." From what we have seen of "society women," we are convinced that if she puts "all she has on her back," she isn't possessed of much of this world's goods.

HERE'S ANOTHER PROBLEM

Exclusion of Japanese Laborers by United States and Australia Is a Big Peace Point.

London, Jan. 15.—Resenting exclusion from the United States and Australia, the Japanese ask why they should disarm or join a league of nations, according to Dean Inge, bishop of St. Paul's.

"The other day I had a call from a very intelligent Japanese," said Dean Inge, speaking on a league of nations. "He began by asking me what I thought of a league of nations and i said I felt we ought to support it as well as we could.

"Then he said: 'I should like for you to know how this matter appears to us in the Far East. We Japanese consider we are a highly civilized race and that we have the right to be treated the same way the European nations treat each other. But we are not so treated. If we want to go out as colonists to the United States or Australia or some other country we are prevented doing so by laws. I want to ask you whether, if we consent to disarm and join a league of nations, these disabilities will be removed or not?'

"I was obliged to say, 'I am afraid no. This is a working man's question, and as long as the Japanese workman gives better value for his wages than the European or American or Australian workmen, they will shrink from no violence to keep you out.' To this he said: 'Well, why should we disarm and join a league of nations?'

"That," commented Dean Inge, a man whose opinion counts in England, "is just one of the difficulties which beset us."

ATCHISON HAS FARM BUREAU.

The Movement Starts There on Permanent Financial Basis.

Tarkio, Jan. 15.—Atchison county farmers completed their farm bureau organization Saturday in Tarkio. All parts of the county were represented in the meeting and everything was carried out with enthusiasm.

In the past few weeks P. B. Naylor, representing the agricultural extension service, has been working in the county explaining the farm bureau and county agent plan. Approximately 110 men united to support this cause and raised a fund which amounted to $2,175 a year for three years, which, with the federal assistance, makes the county a fund of $3,675 a year for three years, or a total sum of $10,925 as a farm bureau and county agent fund. This puts this movement on a permanent financial basis for the next three years.

Washington, Jan. 15.—Strong opposition to the bill appropriating $100,000,000 for feeding the starving peoples of Europe, as passed by the house, was voiced in the senate appropriations committee today when the measure came up for consideration. URIC ACID IN THE SYSTEM

BY LEE H. SMITH, M. D.

Uric acid is now generally recognized as the cause of more diseases than was heretofore believed. When the kidneys are out of order uric acid accumulates within the body in super abundance. The disordered kidneys do not filter the poisons out of the blood, as they ought to do, and so the poisons remain in the blood and float around until they find a place to lodge, in form of urate salts. The thing to remember is that you may have rheumatism in any part of the body—you may have pains anywhere—your back may ache and your head may be dizzy—but the trouble is not where the pain appears. The trouble is in the kidneys, and what is the first thing to do? You must get that excess uric acid out of your system, which can be done by taking Anuric Tablets, the splendid remedy which Dr. Pierce, of Buffalo, N. Y., has put on sale in the drug stores at a low price. Anuric Tablets (made double strength), when taken into the system as medicine, have the peculiar power of dissolving the uric acid deposited there. Drop a bit of sugar or salt into hot water, and it will disappear. In precisely the same way do these Anuric Tablets dissolve uric acid. Of course, after ridding the system of uric acid, it may return again unless you eat the right foods and live the right kind of life, but Dr. Pierce will advise you fully on proper food and correct living if you write and ask him. He makes no charge for such advice. Take Anuric Tablets to-day, by all means, and get that uric acid out of your system. Don't, don't, don't, put the matter off.

IN HOSPITAL IN FRANCE

Carl Kent Learns of Death of Twin Brother.—Is Badly Wounded.

Carl S. Kent of Barnard, with the American Army in France, was wounded in action September 28, and has been in Base Hospital No. 49, since that time. A twin brother of Carl, Roy Hartman Kent, died October 9, with pneumonia in a hospital in France. Miss Ida Kent a sister, has received the following letter from Carl, written from Allerey, France, Dec. 19.

"Received your most welcome letter dated Nov. 23, was sure glad to hear from you. How are you folks by now, I am getting along fine and dandy. I could not understand why you did not hear from me for so long a time as I sent one letter a week any way and sometimes two. I got two letters from you last week. Was Bill Dark and Fred Yates in the company Roy was in? I was glad you wrote and told me about Roy for I have been wondering about him ever since I was wounded. I was telling one of the boys a few days before I got your letter that I would like to know whether my twin brother was over here or not. I was near the place where he was in the hospital the first time I was in the trenches. How is ma now? Tell her not to worry about me. I am getting along fine. Can walk by using crutches but my knee won't be well before three or four months and I hope I will be home soon. I will never forget Floyd Coulter. He tried to get me to pack him back to the hospital but I had to help myself. I would like to see his mother when I get back. I have never heard anything from any of the boys except Frank Popham. He was wounded, a corporal in his company was telling me after we went over the top and I have never seen him since."

Townsend's

Secreary Baker Approves.

Washington, Jan. 15.—Secretary Baker today submitted to Chairman Dent of the house military committee a bill to authorize purchase of land in France for a military cemetery to be designated "The American Field of Honor." Soldiers, sailors and marines would be buried there unless their relatives otherwise request.

Wilson on Speaking Tour?

Paris, Jan. 15.—President Wilson is considering a speaking tour of the United States when he returns home. It is said that this trip will take him into many of the principal citites and it is possible that he may touch the Pacific coast. His plans are ont as yet matured, but it is believed that he has discussed the plan with his advisers.

BACK LIKE A BOARD? IT'S YOUR KIDNEYS

There's no use suffering from the awful agony of lame back. Don't wait till it "passes off." It only comes back. Find the cause and stop it. Diseased conditions of kidneys are usually indicated by stiff lame backs and other wrenching pains, which are nature's signals for help!

Here's the remedy. When you feel the first twinges of pain or experience any of these symptoms, get busy at once. Go to your druggist and get a box of the pure, original GOLD MEDAL Haarlem Oil Capsules, imported fresh every month from the laboratories in Haarlem, Holland. Pleasant and easy to take, they instantly attack the poisonous germs clogging your system and bring quick relief.

For over two hundred years they have been helping the sick. Why not try them? Sold everywhere by reliable druggists in sealed packages. Three sizes. Money back if they do not help you. Ask for "GOLD MEDAL" and be sure the name "GOLD MEDAL" is on the box.

Fiery Eczema and Skin Eruptions Readily Yield to This Old Remedy

Successfully used for 50 years.

Eczema and similar skin troubles come from a disordered, impure condition of the blood, and they can only be cured by giving the blood a thorough cleansing, and removing from it all traces of impurity.

This is why S. S. S. has been used so successfully in hundreds of cases of Eczema and other skin eruptions. This wonderful remedy is without an equal as a blood purifier, being probably the oldest blood medicine on the market. It has been sold by druggists for fifty years. Get a bottle today and begin treatment that will get results.

You are invited to write to-day for complete and full advice as to the treatment of your own case. Address, Chief Medical Adviser, Swift Specific Co., Dept. H, Atlanta, Georgia.

WOULD SHORTEN FARM HOURS

Expected that Labor Will be Unwilling To Return to Conditions, Says Federal Farm Loan Banker.

Springfield, Mass., Jan. 15.—Reduction of working hours on the farm is regarded as one of the problems of reconstruction by W. H. Tinkham, field agents of the Federal Farm Loan bank of this city.

The war transferred so much farm labor to the munition factories and the army and navy that it is not to be expected that this labor will be willing to return to the old long-hour conditions, in the opinion of Mr. Tinkham.

"When I read of the plans of Federal and state authorities for the development of waste lands and the reclaiming of abandoned farms," said Mr. Tinkham, "I feel as if those in charge of such work should seek not only to establish shorter hours for these new farm laborers but re-establish farming on a modern basis of equal opportunity."

POSSUM AND "TATERS" MISSING

Southern "Cullud" Soldiers Are Glad To Get Home from Over There.

Camp Gordon, Atlanta, Ga., Jan. 15.—With hats perched jauntily, cigarettes or cigars in their mouths at a 45 degree angle, and chests protruding far beyond the norman expansion, 300 colored soldiers recently stepped from a special train to be ready for immediate demobilization.

"De sweetest words I ever expect to hear," said one returning warrior, "is what my ole mammy is gwine to say when I drives up to de ole home: 'Welcome back to de side ob bacon.' You might mention that one of de reasons us cullud boys are glad to get back is that we found no possum and sweet taters on de yuther side ob de Atlantic."

H. E. Ford to Chicago.

Lieut. Harold E. Ford, who has peen visiting his arents, Mr. and Mrs. Jim Andy Ford, left yesterday for Chicago. Lieut. Ford was stationed at Camp Hancock, Ga., previous to his release from service late in December.

Small Blaze on East Fourth.

The fire department was called to the home of Wm. Murphy on East Fourth street at 8:30 o'clock this morning to put out a blaze caused by a hot stove pipe. A hole was burned in the ceiling and a partition in the house was burned out, the damage done being about $40.

AUSTRIA RETURNS 300 MILLIONS.

Rome, Jan. 15.—Austria has delivered $300,000,000 to the Italian armistice commissioners, the sum representing the amount removed from Triest by the Austrians at the outbreak of the war, it was learned today.

McGUFFY TO HEAD DEMOCRATS

Washington, Jan. 15.—James G. McGuffy, millionaire Pittsburg business man and chairman of the Pennsylvania Democratic Central Committee, is slated to succeed Vance McCormick, as chairman of the Democratic National Committee, it was elarned from party leaders assembling today for an informal conclave. McCormick's resignation was announced today. The National Committee meets February 26. McGuffy has not formally announced his candidacy.

Health and Happiness

Women of today seem to listen to every call of duty except the supreme one that tells them to guard their health. Home duties, church duties, war activities, and the hundred-and-one calls for charitable enterprises soon lead women to overdo. Nervousness, headaches, backaches and female troubles are the inevitable result.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which, added to my weak condition, kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness. Health and happiness? Yes, I have both now."—Mrs. J. WORTHLINE, 2842 North Taylor Street, Philadelphia, Pa.

The majority of women nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. Avoid them by taking in time

HELMETS TO BE LOAN PRIZES

30,000 German "Pickelhaubes" To Be Distributed.—Next Liberty Loan To Be 5 or 6 Billions.

Washington, Jan. 16.—Eighty thousand German helmets captured by General Pershing's troops—some new, taken from storehouses behind the lines, and some battered relics of the battlefield have been ordered by Frank R. Wilson, director of Liberty Loan Publicity, for distribution in the Fifth Liberty Loan campaign. The helmets will be allotted to Federal Reserve district headquarters on the basis of their subscription quotas and will be used as prizes for campaign achievements under rules to be formulated by the district managers.

New York, Jan. 15.—The next Liberty Loan will be for 5 or 6 billion dollars and probably for a higher interest rate than any previous loans, it was indicated in a speech here by Carter Glass, new Secretary of the Treasury.

WORKS FOR FIRST TIME IN TWO YEARS

Tanlac Restores Health After Everything Else Had Failed.

"Yes sir, I'm willing to go before a notary and take an oath that Tanlac was the only thing that relieved my troubles after I had tried all kinds of medicines and treatments without success," said C. C. Sprague, who is well known for his interest in entomology, being an authority on the subject and having made one of the largest collections of butterflies from this and foreign countries ever exhibited in the United States.

"My trouble started seven years ago with acute indigestion," continued Mr. Sprague, "and my stomach was in such a terrible condition that everything I would eat fermented and bloated me up with gas till I felt like I was going to choke and I was in misery most all the time. Then I suffered agonies from a pain in my back right across my kidneys, and my back became so weak, and hurt me so much that I could hardly stand on my feet or even walk, and just had to quit working. For two whole years I was unable to do a lick of work, then after being idle so long I just had to get at something, and at the time I started on Tanlac I would put in a week or two, then I would give out and have to lay off for a while. Everybody I consulted about my trouble disagreed as to the cause, some saying one thing and some another, and although I spent over $200 on medicines and treatments, trying everything I could hear of, nothing did me a bit of good, and I was as far from well as ever.

"One day I read in the paper where a party had been helped out of troubles like mine by taking Tanlac, so I decided to take one more chance, and positively, I hadn't finished my second bottle before I noticed a decided improvement. I felt so encouraged that I kept it up till I had taken six bottles and I now feel as good as I ever did. I have a splendid appetite, and my stomach never gives me the least bit of trouble, that awful misery is gone from my back and I never have an ache or pain of any kind. I never miss a day from my work now on account of sickness and I can get out in the woods and fields following my hobby collecting butterflies once more. I am so enthusiastic about the way Tanlac has fixed me up that I am constantly boosting it to all my friends."

Tanlac is sold in Maryville by the Koch Pharmacy and A. M. Colley, Conception Junction.—Adv.

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

MARYVILLE WILL TRY COM'N PLAN

ELECTION YESTERDAY RESULTED IN ADOPTION OF NEW FORM BY BIG MAJORITY

CHANGE IS EFFECTIVE WITH APRIL ELECTION

A Mayor and Two Commissioners Elected at Large Will Take the Place of the Three City Governing Boards Under the New Form.

Unofficial Election Results.

	For	Against
First Ward	91	37
Second Ward	89	27
Third Ward	116	27
Fourth Ward	119	60
	415	151
Total votes cast	566	
Majority	264	

Maryville voted to adopt the commission form of government at yesterday' selection by a majority of 264 votes. There were 415 votes cast in favor of it with 151 being recorded as against it. The election was an unusually quiet one, and despite the fact that it was the most vital proposition the voters have been asked to vote on in recent years not more than two thirds the normal vote was out.

That a larger vote was not recorded may be partly explained by the fact that public sentiment favored the adoption of a new plan and this being conceded, the stay-at-home vote felt it would carry without much effort. A number who did not vote explained that they were unable to decide whether it would be best to vote for the change, or were not sufficiently informed as to the merits of the proposition, and rather than vote unintelligently, did not vote at all.

With a majority of two to one in favor of the change by Fourth ward voters, the prediction that strong opposition would come from the "old Fourth" having miscarried, Maryville is solidly lined up for what will undoubtedly prove a program of progress and betterment. All the wards gave majorities of from two to one to four to one for the adoption of the commission form.

With the decision to change the present cumbersome aldermanic form of city government for one where power and authority is centralized, where responsibility may be definitely fixed, making it possible to secure definite results for the city, interest centers on the next step to be taken—the selection of men to fill the offices of mayor and commissioners.

The three officials are elected from the city at large without regard to ward lines. The law requires that a primary be held to nominate candidates for mayor and commissioners ... weeks before the regular city election. The city election this year coming on Tuesday, April 1, the primary will be held on Tuesday, March 18. The judges and clerks for the primary election are the same as those for the regular city election.

Any person desiring to become a candidate for mayor or commissioner must give at least ten days written notice of his candidacy in the form required by the statute, and file the same with the city clerk.

The law also requires that "immediately after filing notice of candidacy has expired the city clerk must publish for three successive days in all the daily papers in the city the names of all persons whose names are to apear as candidates on the primary ballot. The names of the candidates for mayor and commissioners are arranged alphabetically on the ballot. One short ballot is used for all the names and the voter puts a check after the names of the candidates voted for. (Note the fact that the first act under the new form provides for a simplified form of voting.)

The two candidates receiving the highest number of votes for mayor and the four candidates receiving the highest number of votes for commmissioners shall be the candidates at the regular city election to be held two weeks later.

The city council will meet tonight at the city hall to canvass the votes and to make official record of the election. It is expected that with but two months intervening until the primary election to nominate a mayor and commissioners, the council will make announcement of the election date at once.

Miss Theodosia Raines, Former Normal Teacher, Now in Charge of Women's Division U. S. Employment Bureau of Colo.

Miss Theodosia Raines, a former member of the Normal faculty and a sister of H. L. Raines of this city, is now head of the women's division of the United States employment bureau of Colorado. Miss Raines has been living in Denver for several years, leaving her school work here on account of her health. She took up women's employment independently first and later in connection with the college women of the state who were making every effort to aid the women in taking care of the new vocations thrust upon them by the taking of the men into military service. This work grew to such proportions, that Miss Raines was selected by the government to take the work for the state and she is paid a splendid salary.

The New Year's Edition of the Denver Post carried a lengthy interview with Miss Raines which tells of the plan of readjustment of women workers from a war to a peace basis.

TO FIGHT TAX BOARD

BILLS TO BE PRESENTED WILL ASK ITS ABOLISHMENT

P. S. C. IN FOR TROUBLE

Cities Will Make Attempt to Shear It of Its Powers, If Nothing More Drastic Is Done.

Jefferson City, Mo., Jan. 15.—It is said several bills are being prepared either to cripple or abolish the state tax commission, and all will be based upon the theory that it has accomplished nothing up to date and probably could do no better in the future. The commission started out to accomplish something but it struck a snag when it undertook to have its work adopted by the state board of equalization. Three mebmers of the board, constituting a majority, upset the work of the commission, and fixed the valuation of real estate, personal property and public service corporations at approximately $2,000,000,000.

The state public service commission is another branch of the state government hill in for trouble at the hands of the legislature. Judge Noah Simpson of the commission said the other day that one good result over the fight over prohibition was that while members of the legislature were discussing matters of this kind, the commission would have a rest.

The cities are preparing to make a hard fight on the commission and at least shear it of many of its powers, if nothing more drastic is done.

The fact that cities have no power to regulate the rates of their street car companies, and cannot enter into binding contracts with them, has aroused much opposition to the commission, and this will find vent in the shape of legislation of a hostile character, fi those who are opposed to the commission have their way. It is suspected that if larger cities cannot greatly limit the power of the commission, they will seek exemption from the orders of the commission. It is known that some are in favor of abolishing the commission outright, but it is not believed at this time that the legislature will do so.

A LINE ON BEARCATS' TRIP

Sims' Players Are Following the Tarks at Cameron, Liberty and Kansas City in Games This Week.

With the Norami Bearcats following the Tarkio five in a road trip in which games are scheduled with Missouri Wesleyan College at Cameron, the William Jewells at Liberty and the Polytechnic five at Kansas City, the fans may be able to get a line on what Coach Sims' men are up against.

The Tarks gave the Wesleyans a trimming in their game Monday night, winning by a score of 48-18. The Wesleyans presented little opposition to the visitors and the game was ragged in spots. Patterson and Graham of the Tarks hit the basket as they pleased. Patterson and Boettner were injured and were unable to play the game out, leaving the Tarks badly crippled for their games with the Jewells and Poly. The Bearcats play the Cameronites tonight and from the showing made with Tarkio it looks like Sims' men ought to win. They follow the Tarks at Liberty and at Kansas City, returning home Saturday.

The Tarks however met a different bunch on Tuesday night at Liberty, the William Jewells winning in a fast, clean game, 31 to 20. According to the report Patterson was able to play and was the individual star in point getting, with fourteen points to his credit. D. Keedy Campbell refereed the game.

HINDER GERMAN ELECTIONS

Spartacides Are Planning to Precipitate Further Disturbances in Berlin.—1,000 Are Arrested.

London, Jan. 15.—Bullets were fired into a street crowd in Berlin last night by Spartacides hiding on the roof of nearby buildings, said an Exchange Telegrah dispatch. Fighting has again broken out and a sharp attack was made against Franzier barracks. The attack lasted an hour. Spartacide leaders are palnning to precipitate further disturbances to hinder the coming elections. The government is taking strong measures to put down the disorders.

"AUNT BETSY" NEEDS HELP

Helpless and Unable to Care for Herself, Welfare Board Seeks Some One to Act as Caretaker.

Is there anyone in Maryville who will take care of an aged, sick, alone and helpless woman?

It is not a case of just charity. There is money to pay for her care.

The sick woman is "Aunt Betsey" Robinson. Her days will probably be few and short. She is 77 years old. She has been living alone in her little home in North Maryville. With some repairing the home could be made very comfortable for a care taker who would go there and live and take care of "Aunt Betsey."

The Sisters of St. Francis hospital have taken care of Aunt Betsey during a great part of the illness that has come upon her in late years. It is impossible for them to keep her permanently. The Welfare Board of the city will pay for her care and she has relatives living in Harrison county who will also aid financially to see that she is properly looked after. She is utterly unfit to leave alone and the laws of humanity would not allow it to be that way.

Every one in the city is familiar with the name of Aunt Betsey and folks of two generations know this peculiar character who has made her home in Maryville all her life. Born of good parents, but the tricks and twists of fate have made during these 77 years she has lived a character that is unlike any one in the world except "Aunt Betsey."

The hospital Sisters will keep Aunt Betsey while her home is being cleaned and renovated and will also fix her up in good shape. Anyone who will undertake her care can communicate with F. P. Robinson, head of the City Welfare Board.

WOULD FORCE ISSUE

REPUBLICANS TO DEMAND REDISTRICTING BILL

TO BLOCK LEGISLATION?

Democrats Say They Will Stand Pat on Refusal to Agree and a Deadlock May Be the Result.

Jefferson City, Mo., Jan. 15.—S. F. O'Fallen, Republican, who was elected speaker of the house last week by the "drys" indicates he believes the Republicans in the legislature would be justified in going to any length, short of holding up appropriation bills and interferring with the business of the state, to compel the Democratic senate and Governor Gardner to permit enactment of a redistricting bill. The original plan of the Republicans, as outlined by State Chairman Cole, John Schmell and others at the Republican conference in St. Louis last Monday, was to block legislation until a redistricting bill is enacted.

O'Fallon, former circuit judge of Holt county, said he would stand with the Republicans in a demand for redistricting, and that he would indorse "firm measures" to get it. He did not believe, however, that these measures should go to the extent of blocking the business of the state. He expressed the belief that Republicans, as a matter of justice, would make a stand on redistricting.

Since the conference in St. Louis, there have been signs that the Republican members of the two houses were not keen for the extreme stand urged by Cole and Schmell. The country members especially dislike going back to their constituents without accomplishing anything. This would be the outcome of the deadlock plan if it were carried out and the Democrats stood pat against it. O'Fallon's talk indicated that an effort might be made to block all measures but appropriation bills until the Democrats yield.

Leading Democrats say that under no circumstances will they consent to any redistricting measure now even to correct the old Democratic gerrymander. They say that redistricting would give, in all probability, control of the state to the Republicans, and they have everything to gain and nothing to lose by standing pat.

THOUSANDS CRY FOR FOOD

Petrograd Streets Jammed with People Demanding Bread.—Are Fired on by Troops.

Stockholm, Jan. 15.—Troops are firing on enormous crowds of starving people jamming the streets of Petrograd crying for bread, said advices received here today. Ten thousand people are roaming the streets demanding they be given food. Several hundred have been killed in a massacre at Bardithiv in the government of Kiev. The program followed atatempts by the peasants to disarm the Jewish militia. More rograms of a like nature are expected.

ATTENDS GALLAGHER FUNERAL

John Murrin Called to Chillicothe by Death of Brother-in-Law.

John Murrin left Monday night for Chillicothe, called there by the death of his brother-in-law, James Gallagher whose funeral was held today.

Mr. Gallagher died at Chickasha, Okla., and the body was brought to Chillicothe for burial. His wife was Miss Ella Murrin, a sister of Mr. Murrin, and her death occurred several years ago. Mr. Gallagher is survived by three children, Mrs. Margaret Elliott of Oklahoma City, and James Jr. both of whom are in military service at this time.

SECRETARY BAKER TO QUIT

Reported He Will Soon Leave the Cabinet to Resume His Private Law Practise.

Secretary Newton D. Baker is to be the next member of President Wilson's cabinet to resign and resume his private law practise, according to persons closely associated with him. There have been reports circulated previously that Secretary Baker would retire, but that each time he desired to make the change, according to reports President Wilson prevailed upon him to remain. The report current now is that Secretary Baker will return to Cleveland and form a law firm.

LAMKIN TO GOVERNMENT JOB

Former State Superintendent Named Locational Officer to Look After Wounded Soldiers.

Jefferson City, Mo., Jan. 15.—State Superintendent of Public Schools Uel W. Lamkin, whose term of office expired Tuesday, will not accept the secretaryship of the State Public Service Commission. He has accepted the position of locational officer from the United States government, having in view the rehabilitation of wounded soldiers and sailors and fitting them for various lines of making a livelihood. This division will embrace Missouri, Kansas, Iowa, and Nebraska. Headquarters have been established in the Chemical Building, St. Louis, and Lamkin will take charge tomorrow.

The position of secretary of the commission pays an annual salary of $3,600. It is being filled temporarily by Mrs. Kate Morrow of Warrensburg.

After the superintendent had told newspapermen that he would accept the government offer he was called into conference by the commissioners and induced to accept a long leave of absence as secretary of the commission, with its consent to serve as a government appointee. This arrangement will relieve Governor Gardner and the Democratic members of the commission, at least for a few days, from the importunities of the office-seekers trying to get the secretaryship

PURCHASES DES MOINES BANK

Jerry S. Sayler, Son of Judge J. H. Sayler, of Maryville, Is Rapidly Forging to the Front.

Jerry S. Sayler, who is cashier of the Euclid Avenue State bank in Des Moines, has purchased control of the Oak Park bank of that city. Mr. Sayler is the son of Judge J. H. Sayler of this city and is rapidly forging to the front. The following about the sale is from the Des Moines Capital:

Charles A. Holmes, for fifteen years president and cashier of the Oak Park bank, has sold the bank to Jerry Sayler, cashier of the Euclid Avenue State bank, and H. H. Gerard, local manager for the International Correspondence Schools.

Mr. Sayler and Mr. Holmes will take over the management of the bank on January 20. Mr. Sayler retains his position in the Euclid Avenue bank and according to present plans Mr. Gerard will assume active management.

The sale included bank, building and all property of the Oak Park bank, which was a private institution with a capital stock of $20,000 and responsibilities in excess of $75,000, according to Mr. Holmes. The amount of the consideration involved in the sale was not made public.

Mr. Holmes came to Des Moines from Missouri fifteen years ago to establish the bank. His plans for the future are indefinte and he intends to retire from active business for at least a year, he said today.

Mr. Sayler has had ten years of banking experience in Des Moines. He started with the Commercial Savings bank, was for four years assistant cashier of the University State bank and for two years has held his present office in the Euclid Avenue bank.

DRY TIMES NEARER

NEED BUT SIX STATES NOW FOR BONE DRY NATION

MISSOURI VOTES THURS.

Liquor Men Will Not Give Up But Will Fight National Amendment on a Technicality.

Denver, Colo., Jan. 15.—The senate today ratified the federal rohibition amendment.

Salt Lake, Jan. 15.—The Utah senate has ratified the federal prohibition amendment.—The house did so yesterday.

Concord, N. H., Jan. 15.—The New Hampshire today ratified the dry amendment 221 to 21. The senate will take action before night.

Des Moines, Jan. 15.—Fifteen minutes after the senate ratified the federal prohibition amendment forty-two to seven, the house passed it eighty-six to thirteen. Iowa is the thirty-first state to ratify the amendment.

Chicago, Jan. 15.—By nightfall thirty-six states will have ratified the federal prohibition amendment making it part of the national basic law. Of this I am certain, declared Virgil Henshaw, chairman of the National Prohibition committee today. Thirty states have now ratified the federal amendment to the constitution, with thirty-six necessary to make the amendment effective.

Missouri Must Hurry.

Jefferson City, Jan. 15.—The Missouri Legislature will have to step lively if this state is to be one of the thirty-six whoese ratification of the federal prohibition amendment is necessary in order to make the United States dry.

"The legislatures of more than twice enough states to give the amendment a constitutional majority are in session now," the Rev. William C. Shupp, state superintendent of the Anti-Saloon League, said today. "Even if the Missouri Legislature ratifies the amendment later than Thursday it may be too late to have won the honor of being one of the thirty-six states to make the nation dry."

Liquor Men to Fight It.

Chicago, Jan. 15.—The distillers' committee recently named to fight national prohibition effected a permanent organization here Tuesday.

Samuel Woolenr, Peoria, Ill., was made chairman; Henry M. Naylon, Rochester, N. Y., vice-chairman; Geo. F. Diesterle, Cincinnati, secretary-treasurer, and Levy Mayer, Chicago, chief of counsel.

Resolutions adopted said fifteen states which have ratified the prohibition amendment, or are about to do so, have laws which require referendum, and provided that legal steps should be taken to compel reference of the amendment in these states to the people.

The committee will meet next at New York, January 28.

Madison, Jan. 15.—The Wisconsin assembly will take the final vote on he prohibition amendment Friday night. The senate ratified the amendment nineteen to eleven.

Time was when we had to "work or fight," but that order has been revised. The old order, however, is still in force—work or starve.

There are other kinds of optimists besides the young man who believes his intended wife will never look as "sloppy" as does her married sister.

No matter how eloquent a speaker a man may be, the man who can always "draw a crowd," is the one who makes a short address consisting of the words, "This treat's on me."

It is not a miracle when a girl who is "dead in love" is brought back to life after a few months of married life.

Didja ever consider the fact that very few women stutter? No, brethren, we are not going to pursue this subject further. It is prayerfully presented for your consideration.

Observation: Going over the top isn't alone done on the field of battle. Didja ever try standing up in a bath tub and reaching over for the bath towel? Hey.

It wouldn't be so blamed bad in the people who boast they only believe half what they hear if they didn't insist on believing the nasty half.

Reflection, after having attended a society function: Ruby Hart in her "Talks To My Sisters" in a recent issue of a magazine, declares there is too much of a tendency on the part of society women to "put all she has on her back." From what we have seen of "society women," we are convinced that if she puts "all she has on her back," she isn't possessed of much of this world's goods.

REVOLUTION IN PORTUGAL.

London, Jan. 15.—Revolution has broken out in Portugal, said a News Agency dispatch from Madrid today, and fighting is taking place at Oporto. The revolution is being led by troops who have just arrived in Portugal and France and are trying to overthrow the government and put back in power he supporters of ex-President Machado.

HERE'S ANOTHER PROBLEM

Exclusion of Japanese Laborers by United States and Australia Is a Big Peace Point.

London, Jan. 15.—Resenting exclusion from the United States and Australia, the Japanese ask why they should disarm or join a league of nations, according to Dean Inge, bishop of St. Paul's.

"The other day I had a call from a very intelligent Japanese," said Dean Inge, speaking on a league of nations. "He began by asking me what I thought of a league of nations and I said I felt we ought to support it as well as we could.

"Then he said: 'I should like for you to know how this matter appears to us in the Far East. We Japanese consider we are a highly civilized race and that we have the right to be treated the same way the European nations treat each other. But we are not so treated. If we want to go out as colonists to the United States or Australia or some other country we are prevented doing so by laws. I want to ask you whether, if we consent to disarm and join a league of nations, these disabilities will be removed or not?'

"I was obliged to say, 'I am afraid no. This is a working man's question, and as long as the Japanese workman gives better value for his wages than the European or American or Australian workmen, they will shrink from no violence to keep you out.' To this he said: 'Well, why should we disarm and join a league of nations?'

"That," commented Dean Inge, a man whose opinion counts in England, "is just one of the difficulties which beset us."

ATCHISON HAS FARM BUREAU.

The Movement Starts There on Permanent Financial Basis.

Tarkio, Jan. 15.—Atchison county farmers completed their farm bureau organization Saturday in Tarkio. All parts of the county were represented in the meeting and everything was carried out with enthusiasm.

In the past few weeks P. B. Naylor, representing the agricultural extension service, has been working in the county explaining the farm bureau and county agent plan. Approximately 110 men united to support this cause and raised a fund which amounted to $2,175 a year for three years, which, with the federal assistance, makes the county a fund of $3,675 a year for three years, or a total sum of $10,925 as a farm bureau and county agent fund. This puts this movement on a permanent financial basis for the next three years.

OPPOSE WILSON'S FOOD BILL.

Washington, Jan. 15.—Strong opposition to the bill appropriating $100,000,000 for feeding the starving peoples of Europe, as passed by the house, was voiced in the senate appropriations committee today when the measure came up for consideration. An amendment providing that there shall be a detaailed statement of all expenditures, and striking out when practicable, was accepted by the house and approved by the committee.

Dolly Madison was the first person in America to serve ice cream. This was at a White House reception during the administration of President Madison.

URIC ACID IN THE SYSTEM

BY LEE H. SMITH, M. D.

Uric acid is now generally recognized as the cause of more diseases than was heretofore believed. When the kidneys are out of order uric acid accumulates within the body in super abundance. The disordered kidneys do not filter the poisons out of the blood, as they ought to do, and so the poisons remain in the blood and float around until they find a place to lodge, in form of urate salts. The thing to remember is that you may have rheumatism in any part of the body—you may have pains anywhere—your back may ache and your head may be dizzy—but the trouble is not where the pain appears. The trouble is in the kidneys, and what is the first thing to do? You must get that excess uric acid out of your system, which can be done by taking Anuric Tablets, the splendid remedy which Dr. Pierce, of Buffalo, N. Y., has put on sale in the drug stores at a low price. Anuric Tablets (made double strength), when taken into the system as medicine, have the peculiar power of dissolving the uric acid deposited there. Drop a bit of sugar or salt into hot water, and it will disappear. In precisely the same way do these Anuric Tablets dissolve uric acid. Of course, after ridding the system of uric acid, it may return again unless you eat the right foods and live the right kind of life, but Dr. Pierce will advise you fully on proper food and correct living if you write and ask him. He makes no charge for such advice. Take Anuric Tablets to-day, by all means, and get that uric acid out of your system. Don't, don't, don't, put the matter off.

IN HOSPITAL IN FRANCE

Carl Kent Learns of Death of Twin Brother.—Is Badly Wounded.

Carl S. Kent of Barnard, with the American Army in France, was wounded in action September 28, and has been in Base Hospital No. 49, since that time. A twin brother of Carl, Roy Hartman Kent, died October 9, with pneumonia in a hospital in France. Miss Ida Kent a sister, has received the following letter from Carl, written from Allerey, France, Dec. 19.

"Received your most welcome letter dated Nov. 23, was sure glad to hear from you. How are you folks by now, I am getting along fine and dandy. I could not understand why you did not hear from me for so long a time as I sent one letter a week any way and sometimes two. I got two letters from you last week. Was Bill Dark and Fred Yates in the company Roy was in? I was glad you wrote and told me about Roy for I have been wondering about him ever since I was wounded. I was telling one of the boys a few days before I got your letter that I would like to know whether my twin brother was over here or not. I was near the place where he was in the hospital the first time I was in the trenches. How is ma now? Tell her not to worry about me. I am getting along fine. Can walk by using crutches but my knee won't be well before three or four months and I hope I will be home soon. I will never forget Floyd Coulter. He tried to get me to pack him back to the hospital but I had to help myself. I would like to see his mother when I get back. I have never heard anything from any of the boys except Frank Popham. He was wounded, a corporal in his company was telling me after we went over the top and I have never seen him since."

Fiery Eczema and Skin Eruptions Readily Yield to This Old Remedy

Successfully used for 50 years.

Eczema and similar skin troubles come from a disordered, impure condition of the blood, and they can only be cured by giving the blood a thorough cleansing, and removing from it all traces of impurity.

This is why S. S. S. has been used so successfully in hundreds of cases of Eczema and other skin eruptions. This wonderful remedy is without an equal as a blood purifier, being probably the oldest blood medicine on the market. It has been sold by druggists for fifty years. Get a bottle today and begin treatment that will get results.

You are invited to write to-day for complete and full advice as to the treatment of your own case. Address, Chief Medical Adviser, Swift Specific Co., Dept. H, Atlanta, Georgia.

WOULD SHORTEN FARM HOURS

Expected that Labor Will be Unwilling To Return to Conditions, Says Federal Farm Loan Banker.

Springfield, Mass., Jan. 15.—Reduction of working hours on the farm is regarded as one of the problems of reconstruction by W. H. Tinkham, field agents of the Federal Farm Loan bank of this city.

The war transferred so much farm labor to the munition factories and the army and navy that it is not to be expected that this labor will be willing to return to the old long-hour conditions, in the opinion of Mr. Tinkham.

"When I read of the plans of Federal and state authorities for the development of waste lands and the reclaiming of abandoned farms," said Mr. Tinkham, "I feel as if those in charge of such work should seek not only to establish shorter hours for these new farm laborers but re-establish farming on a modern basis of equal opportunity."

POSSUM AND "TATERS" MISSING

Southern "Cullud" Soldiers Are Glad To Get Home from Over There.

Camp Gordon, Atlanta, Ga., Jan. 15.—With hats perched jauntily, cigarettes or cigars in their mouths at a 45 degree angle, and chests protruding far beyond the norman expansion, 300 colored soldiers recently stepped from a special train to be ready for immediate demobilization.

"De sweetest words I ever expect to hear," said one returning warrior, "is what my ole mammy is gwine to say when I drives up to de ole home: 'Welcome back to de side ob bacon.' You might mention that one of de reasons us cullud boys are glad to get back is that we found no possum and sweet taters on de yuther side ob de Atlantic."

H. E. Ford to Chicago.

Lieut. Harold E. Ford, who has peen visiting his arents, Mr. and Mrs. Jim Andy Ford, left yesterday for Chicago. Lieut. Ford was stationed at Camp Hancock, Ga., previous to his release from service late in December.

Small Blaze on East Fourth.

The fire department was called to the home of Wm. Murphy on East Fourth street at 8:30 o'clock this morning to put out a blaze caused by a hot stove pipe. A hole was burned in the ceiling and a partition in the house was burned out, the damage done being about $40.

AUSTRIA RETURNS 300 MILLIONS.

Rome, Jan. 15.—Austria has delivered $300,000,000 to the Italian armistice commissioners, the sum representing the amount removed from Triest by the Austrians at the outbreak of the war, it was learned today.

Health and Happiness

Women of today seem to listen to every call of duty except the supreme one that tells them to guard their health. Home duties, church duties, war activities, and the hundred-and-one calls for charitable enterprises soon lead women to overdo. Nervousness, headaches, backaches and female troubles are the inevitable result.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which, added to my weak condition, kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness. Health and happiness? Yes, I have both now."—Mrs. J. Worthline, 2842 North Taylor Street, Philadelphia, Pa.

The majority of women nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. Avoid them by taking in time

HELMETS TO BE LOAN PRIZES

30,000 German "Pickelhaubes" To Be Distributed—Next Liberty Loan To Be 5 or 6 Billions.

Washington, Jan. 15.—Thirty thousand German helmets, captured by General Pershing's troops—some new, taken from storehouses behind the lines, and some battered relics of the battlefield—have been ordered to Frank R. Wilson, director of Liberty Loan Publicity, for distribution in the Fifth Liberty Loan campaign. The helmets will be allotted to Federal Reserve district headquarters on the basis of their subscription quotas and will be used as prizes for campaign achievements under rules to be formulated by the district managers.

New York, Jan. 15.—The next Liberty Loan will be for 5 or 6 billion dollars and probably for a higher interest rate than any previous loans, it was indicated in a speech here by Carter Glass, new Secretary of the Treasury.

WORKS FOR FIRST TIME IN TWO YEARS

Tanlac Restores Health After Everything Else Had Failed.

"Yes sir, I'm willing to go before a notary and take an oath that Tanlac was the only thing that relieved my troubles after I had tried all kinds of medicines and treatments without success," said C. C. Sprague, who is well known for his interest in entomology, being an authority on the subject and having made one of the largest collections of butterflies from this and foreign countries ever exhibited in the United States.

"My trouble started seven years ago with acute indigestion," continued Mr. Sprague, "and my stomach was in such a terrible condition that everything I would eat fermented and bloated me up with gas till I felt like I was going to choke and I was in misery most all the time. Then I suffered agonies from a pain in my back right across my kidneys, and my back became so weak and hurt me so much that I could hardly stand on my feet or even walk, and just had to quit working. For two whole years I was unable to do a lick of work, then after being idle so long I just had to get at something, and at the time I started on Tanlac I would put in a week or two, then I would give out and have to lay off for a while. Everybody I consulted about my trouble disagreed as to the cause, some saying one thing and some another, and although I spent over $500 on medicines and treatments, trying everything I could hear of, nothing did me a bit of good, and I was as far from well as ever.

"One day I read in the papers where a party had been helped out of troubles like mine by taking Tanlac, so I decided to take one more chance, and positively, I hadn't finished my second bottle before I noticed a decided improvement. I felt so encouraged that I kept it up till I had taken six bottles and I now feel as good as I ever did. I have a splendid appetite, and my stomach never gives me the least bit of trouble, that awful misery is gone from my back and I never have an ache or pain of any kind. I never miss a day from my work now on account of sickness and I can get out in the woods and fields following my hobby collecting butterflies once more. I am so enthusiastic about the way Tanlac has fixed me up that I am constantly boosting it to all my friends."

Tanlac is sold in Maryville by the Koch Pharmacy and A. M. Gailey, Conception Junction.—Advt.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It.

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.
